

Privacy Policy

Data Protection

Save Energy 2 Day Ltd is committed to protecting all personal information that we hold, and we comply with all applicable privacy and data protection laws in an open and transparent manner. We have policies and procedures in place covering our data protection responsibilities and to ensure we follow the data protection principles and process all personal information fairly and lawfully in a way that respects your rights under the UK Data Protection Act 2018.

When we gather personal information from you, we will ensure what we collect is adequate, relevant and not excessive to our needs. We take care to ensure your personal information is accurate and up to date, used solely for the reasons for which it was collected and retained only for as long as is necessary. We will not transfer any personal information outside of the European Economic Area unless the country receiving your information has the same or higher data protection standards than those in the UK.

This privacy policy relates to our use of any personal information you provide to us via any means including via this website, by electronic mail, telephone, message service, via written correspondence, and in person.

If you have any questions regarding our privacy policy, please contact us.

Use of Personal Information

Our legal basis for obtaining, holding and processing personal information via this website is as follows:

- We process personal information where necessary for the performance of a contract.
- If you contact us to make a general enquiry, your personal information will be used to respond to your enquiry and provide the information that you have requested.

We may, at our discretion, disclose your personal information to third parties in order to fulfil our contractual obligations or in order to make enquiries on your behalf with suppliers, service providers and funding resources.

We only keep personal information for as long as we have a use for it or are legally obliged to keep it. Personal information held in our electronic and paper filing systems is destroyed or deleted when it is no longer required.

We will not sell, share, distribute or disclose your personal information unless it is necessary to deliver our services or if we believe a regulator or law enforcement agency requires it, or in order to comply with any other applicable legal obligation such as safeguarding.

We do not process any special categories of personal information and we do not undertake any automated processing or profiling of any personal information.

We use SSL encryption to protect personal information online and in transit to and from this website.

Your Rights

You have the right to:

- Request a copy of the information we hold about you. Requests should be emailed. We will respond within 30 days.
- Tell us to change your personal information if it is incomplete or inaccurate.
- Ask us to delete or remove your personal data if there is no compelling reason for us to continue using or holding this information.

Please contact us if you think our records are inaccurate or you wish us to delete your personal information.

Website User Data

Data is collected from users of our website. When a user completes the contact form on our website, we store the personal information they provide on our systems. Only authorised administrators of the website and our IT systems can view and edit this information. All authorised users are subject to appropriate confidentiality agreements.

The website hosting provider, located in the USA, may record interactions with this website in the form of website server logs which could include records of your remote IP Address, the resources accessed on our website, date and time information and details of your browser. This data collection is part of their website analytics services and is outside of our control.

Links to External Websites

Where this website contains hyperlinks to websites owned and operated by third parties including social media companies and service providers. Selecting any of these external links establishes a direct connection between your browser and these third parties' servers. These websites, and the personal data that they collect from you are outside of our control and they will have separate privacy policies and user data collection mechanisms. We do not accept any responsibility or liability for the privacy practices of such third-party websites and your use of such websites is at your own risk.

Policy Changes

This Privacy Policy may be subject to change from time to time. Please visit this website page periodically to keep up to date with any changes.
